

Te Whakatūranga ō Mahi | Position Description

Kaikōkiri - Champion of Wellness

Title	Kaikōkiri – Registered Nurse/Community Vaccinator		
Reports to	Clinical Team Lead		
Team	Practice Team		
Direct Reports	NIL	Total FTE	1.0

Ko wai mātou | Our organisation

The kaupapa for Whaiora was first considered in 1996 at a hui at Papawai Marae, Greytown. Ngāti Moe hapu, led by Dr Janice Wenn and Kim Workman, structured a proposal for a ‘by Māori for Māori’ community-based health service for the Wairarapa. Initially Whaiora Whanui was developed under the umbrella of the Ngāti Kahungunu Māori Executive, Taiwhenua (NKMET). With the mandate from Wairarapa hapū, Whaiora Whanui became an autonomous entity and was established as a Charitable Trust on 13 December 2000.

Whaiora provides a range of community health and social services to the Wairarapa community, our boundaries are Pukaha Mt Bruce to Remutaka Summit – we also work with whānau in Eketahuna.

Our services also include a Very Low Cost Access Medical Centre for Masterton residents.

VISION

Wairarapa He Waiora / Wairarapa A Place of Wellness

MISSION

He rarapa I nga ahuatanga e u ai te ha o te ora / To pursue and participate in ways of bringing about wellness

Tēnei tūranga | About the role

The Registered Nurse - Community Vaccinator role will support the delivery of our community outreach programme including the national immunisation programmes to improve the best health and wellbeing outcomes for Pasifika communities. The role will need to be fully authorised covering the full life span (infants to adults without restrictions), or alternatively if you are awaiting authorisation, please still apply.

The Registered Nurse - Community Vaccinator will work as part of a wider health team and will primarily be working in the community taking the services to the Pasifika communities.

Essential Functions

You will work alongside Pasifika O Wairarapa Trust (PoWT) to administer vaccinations within a holistic approach that considers the entire whānau. This approach will ensure that vaccinations can be administered according to the specific needs of the Pasifika community, including providing vaccinations at homes, during after-hours, weekends, and targeted events.

You will collaborate with PoWT to deliver immunisation information and education, empowering whānau to make informed decisions regarding immunisation.

To provide quality, competent care that enhances the wellbeing of patients. Ensuring service is provided in accordance with the appropriate professional and company standards.

Providing Nursing duties that align with relevant codes of ethics, procedures, local guidance and referral criteria regarding the protection of children and vulnerable adults, under the Act including Whaiora’s policies.

Working to enhance patients’ understanding of their health issues and ways their wellness ensuring national and practice standards are strived for. Maintain a positive and caring environment for clients and whanau, appropriate to individual need. Utilise effective communication with individuals and whanau demonstrating cultural awareness and sensitivity that facilitates the best outcome for individuals and whanau.

Ensuring the safe use, disposal and cleaning and/or sterilising of all equipment used in patient care. Using Standard Precautions when dealing with bodily substances. Raising issues affecting client care, or maintenance of standards in a way that facilitates the best outcome for clients and whanau.
